## Academics

Title	Institute	Score
Master in Computer Science	The Superior College, Lahore	3.0 CGPA

## Projects

### Dice Roll Game

**Tools:** Javascript, HTML, CSS

Each turn, a player repeatedly rolls a die until either a 1 is rolled or the player decides to "hold":  
The first player to score 100 or more points wins.

### Bankist

**Tools:** Javascript, HTML, CSS

Its main features are logging in with a username and password, viewing and sorting movements, transferring money to another account, requesting a bank loan, and deleting their account.

### Expense Tracker

**Tools:** React.js, HTML & CSS

User can add their daily expenses and sort them on a monthly and yearly basis.

### Notes Manager

**Tools:** React.js, HTML & CSS

User can add, edit, delete & search notes.
